HONORS TO COME THICK AND FAST TO WARRIOR YORK

After Marriage Saturday, Hero and Bride Will Visit West as Guests of Rotarians of City of Chattanooga.

NASHVILLE, Tenn., June 5 (Sp.)—Sergeant Alvin C. York, greatest hero of the world war, will be married Saturday to Miss Louise Bruce, belle of Fall Mall, and most noted beauty of the valley of Three Rivers of Wall.

The marriage ceremony will take place at the Fall Mall picnic welcome dinner to be given in honor of Fentress county's famous son. The solemn rites of matrimony will be conferred by Gov. Albert H. Roberts, who, with his official staff and a delegation of Nashville citizens and members of the Rotary club, will journey to Fall Mall Friday to be present at the wedding and look over the farm which York has selected as the one to be bought by the Nashville Rotary club from funds subscribed by the people of Tennessee.

Contrary to the usual custom, the marriage-to-be was announced by Pastor Pile, of the Church of Christ in Christian Union, instead of by the parents of the bride-elect, Mr. and Mrs. A. Williams, of Fall Mall.

Honeymoon Travel.

Following the ceremony Saturday, Sergeant York will bring his bride on a honeymoon trip to Nashville.

During their stay in Nashville, Sergeant York and his bride, together with Pastor Pile and members of York's family, will be the house guests of Gov. and Mrs. Roberts at the executive mansion.

Following the receipt of the news of the proposed marriage of York and Miss Williams Saturday, the Nashville Rotary club, through President E. M. Foster, sent the following telegram to Miss Williams:

"Miss Gracie Williams, Fall Mall, Tenn.: The Nashville Rotary club congratulates Sergeant York on his great victory in the battle of love, and felicitates the lucky bride, to whom it extends a most cordial welcome to be the guest of the Nashville Rotarians on a honeymoon trip to Salt Lake City, accompanying your distinguished future husband, who will be the guest of the Chattanooga Rotarians."

NASHVILLE ROTARY CLUB.

"Edgar M. Foster, President."

On Monday night Sergeant York will be presented by Gov. Roberts with a Jewel medal of solid gold in the name of the people of his native state, and on Tuesday the red-headed fighter and Mrs. York will be the guests of the Rotary club at the Hermitage, where the home of "Old Hickory," where the governor will formally commission York as colonel of the governor's staff for life. They will be entertained at a beautiful luncheon, and on Wednesday night will probably leave for Salt Lake City as guests of the Rotary club of Chattanooga to attend the annual convention of International Rotary, provided Mrs. York cares to take the trip as part of her honeymoon.

In honor of York the section of the short route Dixie highway which passes through Jaudess county in Fentress county has been named York route, and workmen have been on the job during the past week making ready the road for the heavy travel which it will begin to experience on Saturday.

Among the speakers at the picnic dinner and guests at the wedding ceremony, in addition to Gov. Roberts and staff, will be Mayor Jesse M. Littleton of Chattanooga, T. Ashby Wright, of Knoxville; C. E. Gaines, of Chattanooga; Maj. E. B. Stahman, owner and publisher of the Nashville Banner; Edwin T. Morrow, of Kentucky, and scores of newspaper correspondents and photographers.

The York farm fund is rapidly growing, keeping pace with the popularity of the hero.

Next Tuesday has been set aside by President J. A. G. Sloan, of the Nashville baseball club, as York day at

Diphtheria Left Her With Catarrh of the Throat

After Years of Suffering, This Lady Sought and Found Relief in PE-RU-NA, the Great Catarrh Remedy.

While there is nothing unusual in the experience of Miss Louise Bruce, of 1326 East Twelfth St., East Oakland, Cal., her letter cannot help but be an inspiration to every sufferer from catarrh.

This is what she says: "Diphtheria left me with catarrh of the throat. After years of suffering and disappointment, I gave up hope until I heard of PE-RU-NA. I tried it. Followed instructions and have had no catarrh since. Now we always keep PE-RU-NA and MAN-A-LIN in the house."

It is not necessary for anyone to go on year after year suffering with catarrh in any form. PE-RU-NA is just as effective for catarrh of the stomach, bowels, liver and other organs as it is for coughs, colds and catarrh of the nose and throat. It is by regulating the digestion and aiding elimination that PE-RU-NA insures a rich supply of pure blood and nourishment being carried to the mucous linings everywhere. By keeping the mucous membranes healthy, the body is better able to repel disease and ward off such troubles as the Grip and Spanish Flu. PE-RU-NA is of extraordinary value in rebuilding the body to normal health and strength.

Tablets or Liquid. Sold Everywhere.

Sulphur Dell, and the big hero will be present and pitch the first ball in the Nashville-New Orleans contest. The proceeds of the day will be given to the York farm fund. The greatest crowd since the winning of the pennant by Bill Bernhard's crowd in 1908 is expected to be present at the Dell on Tuesday. The governor, the state officials and every fan in Nashville will be there to see the big sergeant leave the first ball. At that time he will be Colonel Alvin C. York, of Tennessee.

TRI-COUNTY HIGHWAY BONDS BRING PREMIUM

JONESBORO, Ark., June 5 (Sp.)—The bonds of the tri-county highway improvement district of Greene, Craighead and Poinsett counties were sold Tuesday at a meeting of the board of commissioners held at the office of the secretary in Jonesboro. The purchasers were Kauffman-Smith-Emert investment company and Whitaker & Co., of St. Louis. The bonds for all cash, the board receiving the accrued interest, the purchasers paying all the costs of the issue and of the auction, were sold. The issue brought \$1,026 for each \$1,000.

This is said to be the best price obtained for bonds in Arkansas. The issue will be about \$1,000,000. The roads to be constructed in the district will be approximately 70 miles of hard surface, with rock foundation. It will take from two to three years to build them. The roads will connect Jonesboro with Walnut Ridge, Harrisburg, Memphis, Springfield, Blytheville and Osceola, and are a part of the largest system of roads in Arkansas.

The preliminary survey has been made and the plans and specifications will be completed within a few days and the contract let.

The commissioners are as follows: V. C. Kays, J. C. Clippard, T. S. Green, C. O. Collins, Geo. A. Lamb, E. B. Walters and W. H. Woodruff. The engineer for the district is Hugh R. Carter, of Little Rock.

Activities Among Memphis Negroes

The Rev. W. W. Whitton preached the annual sermon to the Mosaic Templars of America at the Beale Avenue Baptist church. The church was crowded to overflowing and the sermon was enjoyed by those who heard it.

The Orphans' and Old Ladies' Home association met in the Howe church Wednesday afternoon. Business of importance was transacted. This meeting was followed by the Howe Choral class, which had a fine practice.

Prejudice should neither be capitalized nor commercialized. It should be eradicated. Too many people use it in getting wealth and position.

The Dawson Millinery school will have its graduating exercises at Salem Baptist church, 23 West Carolina street, June 18. The following graduates will receive certificates: L. Walton, Josie B. Smith and Irene Branch. The maker of the best hat will be awarded a gold medal. The public is invited.

J. C. Moore, chairman of a committee organized by the Ministers' alliance, has secured a special coach for the use of delegates to the Sunday school congress at Jackson, Miss.

The annual session of the Tribes of Canaan will be held at the Beale Avenue Baptist church, June 16-18. The order in Tennessee has 16 subordinate lodges, with several hundred members. The Rev. H. B. Brunson is supreme chief.

We have been asked to announce that the Southern passenger traffic committee has granted a special rate of one and one-third fares for the round trip on the certificate plan to the Sunday school and B. We want our representatives at Washington to make up a good team, whatever their party affiliations may be. We have that much local and state pride.

The co-operative stores are continually adding new links to their chain, which shows that the spirit of thrift and co-operation is on the increase. One man may paddle a skiff, but it will require a combination to run a steamboat line. Congratulations, Friend Roddy.

It is very often the case that people fall victims to the very conditions which they assist in creating. In seeing to the "wind" we often reap the "whirlwind."

Opportunity is the severe test of character and fitness. And it seldom leaves one like it found him. You are either a larger or a smaller man when you have had the opportunity to try out. Get ready for opportunity. It's coming.

The graduating exercises of the New York Business school, Father P. A. Garrett, principal, will be held Friday, June 6, at 8 o'clock at the school, corner St. Paul avenue and South Cynthia place. The public is invited.

GEORGIA WILL BOOST SEWANEEN ENDOWMENT

ATLANTA, Ga., June 5 (Sp.)—At a luncheon here Wednesday Milton Dargan, prominent throughout the South as an insurance man, took charge of the campaign to raise a million-dollar endowment for the University of the South at Sewanee in so far as this diocese of the Episcopal church is concerned, with a quota of \$75,000. Bishop Mikel presided and addresses were made by Bishop Gallor, of Tennessee, and Col. Luke Lea, ex-United States senator from Tennessee. A strong executive committee was named and plans perfected by which it is expected the allotment will be easily secured in short order.

Sewanee belongs to the Episcopal church in 13 Southern states, and this campaign is being conducted throughout that territory. Reports of the most encouraging character have been received, indicating that there is no doubt of the successful outcome of the movement. At present one-third of the million sought is in hand in cash and pledges, and with the preliminary work that has been done the remaining two-thirds will be secured more easily than the first third.

The contractors have a number of men engaged and the work will progress as rapidly as possible. The district extends from the state agricultural school to Netleton.

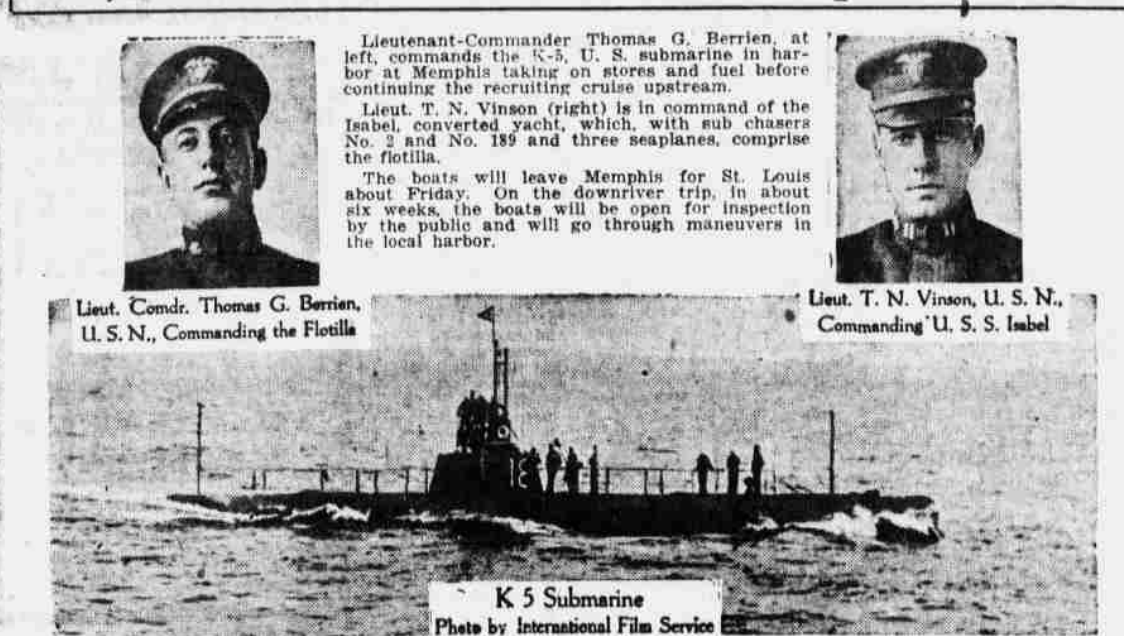

AGAINST INCOME TAX.

HUNTSVILLE, Ala., June 5 (Sp.)—The Huntsville Rotarians last night expressed their unanimous opposition to the proposed state income tax of five per cent and requested the Madison county delegation in the state legislature to oppose it.
